

Summarize the Conversation Template (Interactive Listening)

Click [here](#) to watch a full lesson about this template and the Summarize the Conversation question type.

Before proceeding to the Summarize the Conversation question, review the scenario, your responses to the scenario comprehension questions, and the conversation and answer these questions:

1. Who was in the conversation?
2. Why did we talk?
3. What did we talk about?
4. What are 2 new pieces of information revealed during the conversation?

Then, use this template for your summary of the conversation:

Sentence #1

In this conversation, I talked with _____ about _____.

Sentence #2

Describe something that was revealed during the conversation

Sentence #3

Describe a second thing that was revealed during the conversation
