6 Tips to Score Higher With 0 Studying

We also have a video full lesson that explains these tips in detail.

1. Use a good microphone
2. Speak and write for the entire time
3. Speak loudly and slowly
4. Take the test in quiet place
5. In Interactive Listening, read through the entire conversation before going to Summarize the Conversation
6. On Read and Select questions, pay attention to spelling and only answer “Yes” to words you are **completely confident** are real words
